

# *Overview*

- **Working meeting for the MODIS Science Team**
  - **Emphasis on reports to Science Team during Plenary, rather than updates from Science Team**
  - **Conference-style seating to facilitate interaction between presenters and Science Team**
  - **Topic-centered breakout sessions, rather than Discipline-centered**
    - » **Participation held mainly to Moderators and Panelists; others may “listen in”**
    - » **Time limit strictly observed during roundtable sessions**
  - **Summary reports and Action Items presented by Moderators, rather than Discipline Leaders**

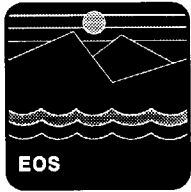

## *Distribution of Handouts*

- **Submit electronic copies of handouts and presentations to MAST**
  - Saves trees, time, & cost; facilitates distribution
  - PC and Macintosh compatible
- **Obtain electronic copies of handouts and presentations from MAST**
  - Copies made on diskette or directly onto your laptop
  - Hard copy printed out only for Science Team & Support Team Leaders
  - Additional hard copy may be printed by special request
- **Plan to move to electronic presentations via LCD overhead projector**

## *Meeting Minutes*

- **Will distribute hardcopy only upon request**
- **Available electronically from MODIS Home Page in Hypertext Markup Language (HTML)**
  - URL is <http://ltpwww.gsfc.nasa.gov/MODIS/MODIS.html>
- **Available electronically from MODARCH in Microsoft Word, WordPerfect, or ASCII**

# *Announcements*

- **Proceedings not videotaped**
- **NASA van rented to provide rides to & from MODIS Banquet**
- **Next meeting: Oct. 25 - 27, 1995 (tentative)**
