STANDARD QC

Phasing of capacity

- Where does time-slicing occur
staging orders
 - Staging (time available for rapid distrib.)
- cap. models including SCF capacities?

Who coordinates requests

Alan - Internet b/w only 1-2% of
requirement an alternate is
needed

- DCE immature
TCP alternative
 - STATUS OF DIRECT BROADCAST
 - SOFTWARE TO CAPTURE → L.I. ?
EDOS (LO processing)
 - UPDATES TO RESEARCH PRODUCTS
'RESEARCH' - runs on SCF
- Alan Steve - expect them to come
back into std prod. list.

Decision of STD vs research prod.¹¹⁻⁴
Process
needs to be defined

Having an envelope at TLCF
to work within would help.
