

Phasing of capacity

- Where does time-slicing occur
 - staging orders
- staging (time available for rapid distrib.)
- cap. models including SCF capacities?

Who coordinates requests

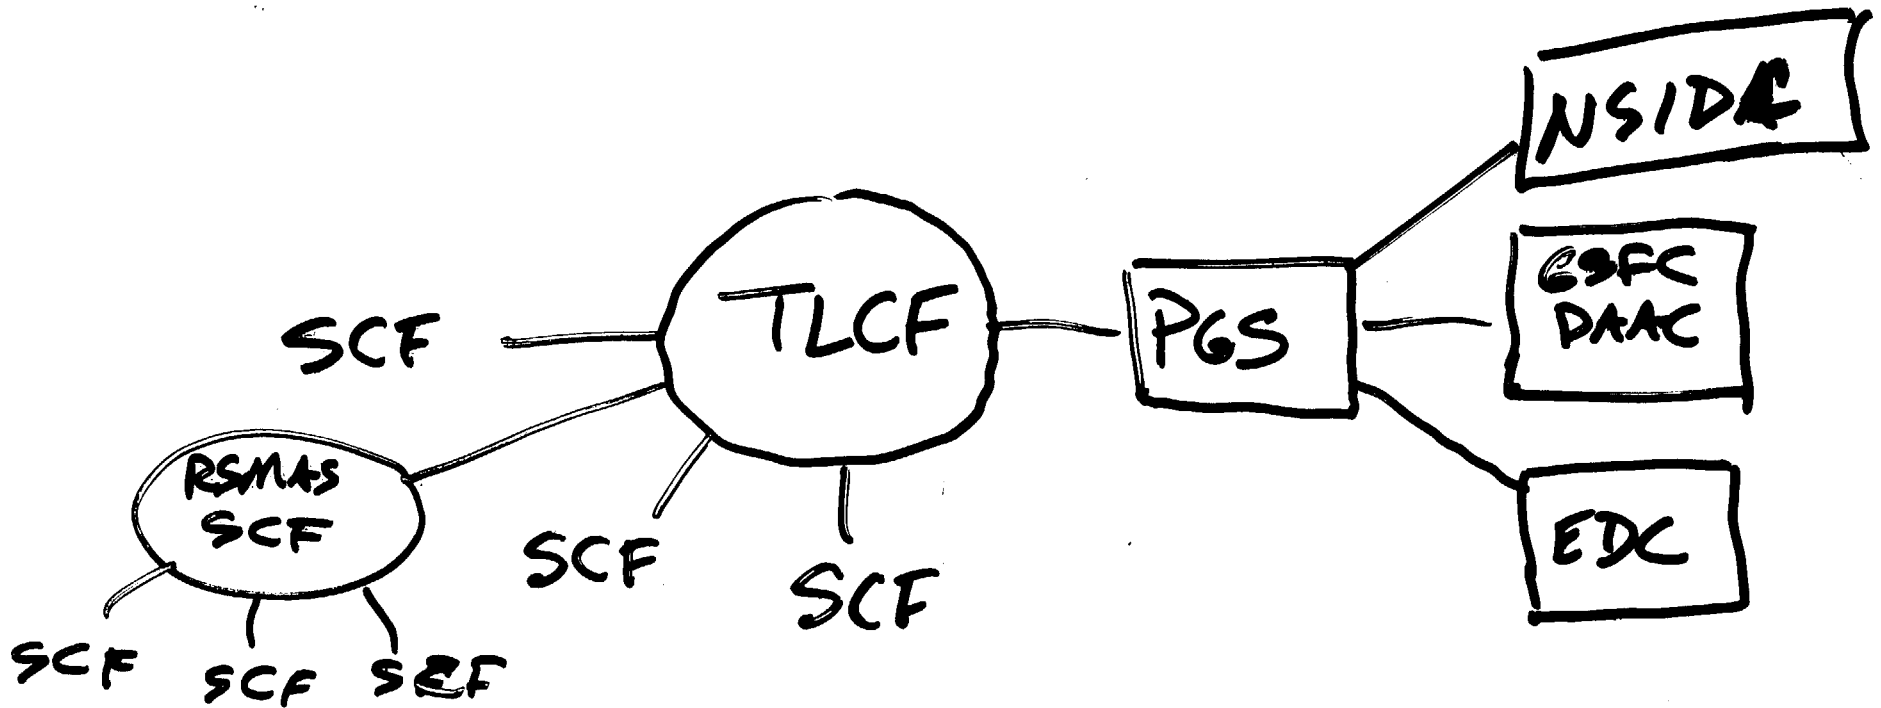

Man - Internet b/w only 1-2% of requirement
an alternate is needed

- DCE immature
 - TCP alternative
- STATUS OF DIRECT BROADCAST
 - SOFTWARE TO CAPTURE → L.I. ?
 - EDOS (LO processing)
- UPDATES TO RESEARCH PRODUCTS
 - 'RESEARCH' - runs on SCF

Alan Steve - expect them to come back at it and list

Decision of STD vs research prod. ¹¹⁻²
Process
needs to be defined

Having an envelope ~~at~~ TLCF
to work within would help.
